after twenty years of research dr j barton payne has compiled the one complete guide to biblical prophecy from the prediction of adam s death in genesis 2 17 to the prophecy of mankind s perpetual worship of god in the new heaven and earth psalm 72 5 the encyclopedia of biblical prophecy discusses every verse of prophetic matter in scripture it identifies every probable point of fulfillment whether in the past present or still in the future the first 144 pages of the encyclopedia of biblical prophecy set forth a systematic approach to the subject of biblical prophecy and the legitimate place for prediction in it the encyclopedia is arranged according to the 66 books of the bible in each book all the verses on one prophetic theme are treated in one combined discussion for example the 12 verses of genesis that foretell god s granting of the land of canaan to the descendants of abraham are discussed together it is then shown how the promise was fulfilled in the days of joshua one of the encyclopedia s concluding summaries lists all the 737 major subjects that appear in biblical prediction with the books and paragraphs in which each is found this way each prophecy can be traced from its first appearance in the bible to its last among the many features is a complete list of all the scriptural prophecies pertaining to christ no other book has ever examined biblical prophecy so thoroughly or presented it in such a balanced perspective as the encyclopedia of biblical prophecy 1 817 entries covering all the biblical predictions in both the old and new testaments a complete discussion of all 8 352 predictive verses in the bible 14 tables including three on the book of revelation bibliography 4 summaries 4 statistical appendixes 5 complete indexes an indispensable tool for students of the bible for students in theological seminaries and bible colleges for pastors as a reference guide and for concerned lay people the encyclopedia of biblical prophecy is certain to bring a fresh understanding and rewarding insights of the bible

a definitive factual a z reference guide offering a global perspective on the role of prophecy in world history religion folklore and literature from at least 1200 b c and probably long before prophets have attempted to see into the future most from ancient oracles to modern astrologers from doomsday sects to telephone psychics have been wrong the majority of the time says british researcher geoffrey ashe true foreknowledge is rare but those rare occurrences are impressive in this fascinating reference work the first to encompass the entire 3 000 year span of recorded prophecy ashe examines the predictions of both good prophets and bad including seers like jacques cazotte who forecast the reign of terror in the french revolution and morgan robertson who described the titanic disaster 14 years before it happened he refutes many of the far fetched claims of nostradamus and highlights those that foreshadow events after his lifetime he also examines failed prophecies that have been influential including the many end of the world forecasts along with the surprisingly accurate visions of some science fiction authors
